You have been trying to lose weight with the wrong type of diet supplements.

TOP 4 REASONS every diet and diet pill has not worked for you...

The 4 Biggest Reasons

Weight Loss Is Now Much Faster, Easier!

Dear Friend,

Let's face it. You will NEVER lose weight and keep it off if you are hungry, tired, stressed or have cravings.

Do you agree?

But...all the diet pills and programs you tried in the past left you with all of these problems!

No wonder these diet pills failed you! This is crazy! This is ridiculous! This is outrageous! This is a scandalous rip-off!

That's why — today — I am so excited to announce **the world's FIRST-EVER and ONLY** supplement that overcomes these four big “diet killers” that made all the diet pills you've tried before fail you.

This breakthrough is unique and different from any diet product you have ever tried before. There is nothing else like it. It is proven to work and your success is guaranteed.

Let me explain...

This Changes Everything About Losing Weight...For the First Time Ever, It Overcomes the Four Problems That Have Kept You From Losing Weight and Keeping It Off

It's **NOT** your fault that you have not been able to lose weight and keep it off before. The diet pills you took still left you hungry, tired, stressed and with cravings.

But...

- What if you *weren't* hungry anymore?
- What if you *didn't* have cravings for the wrong foods anymore?
- What if you *weren't* stressed out?
- What if you *weren't* tired (which kills your willpower)?

Well, now — finally — your weight loss PRAYERS have been ANSWERED!

A new discovery named **ULTRA SLIM 4** works on neurotransmitters in your brain — the chemicals that give you the feelings of warmth, happiness, satisfaction, fullness and energy.

It makes it **easy** for you to pass up high calorie snacks — and still feel full and satisfied.

It eliminates your cravings for bad foods and snacks.

It eases the stress and fatigue that normally kill your diet efforts.

This is the intelligent person's choice for weight loss.

Why 99% of Diet Products Fail

Here's the key...

All other diet supplements sold today are basically just “fat burners” and you know from experience **these don't work**.

They don't work because they leave you hungry, stressed, tired and craving.

99%
of diet products and plans fail because they only address
1 OUT OF 5 PROBLEMS THAT KEEP YOU FROM LOSING WEIGHT!

It is flat-out *impossible* to stay on a diet if you feel deprived, tired, stressed out, hungry, craving or negative. And this is why you have not lost weight and kept it off before now.

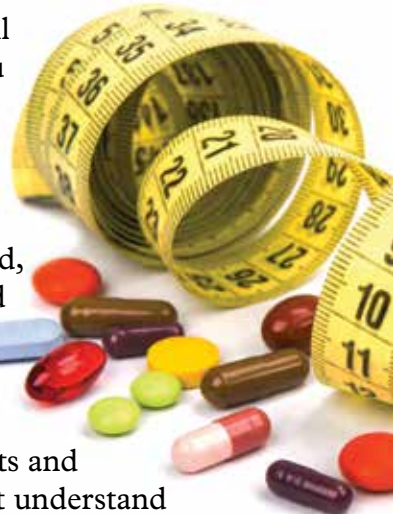

Everyone knows 99% of diets and diet pills fail. I call this **'The Great Diet Pill Rip-Off'**.

They fail because you are human and “in the real world” you get hungry, tired, stressed and have cravings.

Today's diet products and clinics don't understand YOU and how YOUR body works and how YOUR life works. But now, finally, there is a solution to your weight loss goal that really works in the real world you live in.

You see, the reason 99% of diet products and plans fail is because they only solve **ONE OUT OF THE FIVE PROBLEMS THAT KEEP YOU FROM LOSING WEIGHT!** The chart on the next page shows the big difference...

OLD way (other diet pills)

1 Burns fat

NEW way (Ultra Slim 4)

1 Burns fat

2 Stops hunger

3 Prevents fatigue

4 Relieves stress

**AND MUCH
MORE...**

NEW!

As you can see from the chart above, today's other diet pills only address one of the five problems that prevent you from losing weight and keeping it off. But **ULTRA SLIM 4 addresses all five of these problems** for you! The result? Your weight loss is now fast and easy!

Exciting, isn't it? You bet!

The discovery of **ULTRA SLIM 4** was made by top researchers after pouring through 543 clinical studies on natural weight loss ingredients and interviewing 22 cutting-edge experts. The researchers discovered little-known natural ingredients and...

■ It makes you **BURN OFF FAT.**

■ It decreases **HUNGER.**

■ It keeps you **ENERGIZED.**

■ It relieves **STRESS.**

■ It reduces **CRAVINGS** for your favorite bad foods and snacks.

How effective is this all-natural breakthrough? In a clinical study, one nutrient included in **ULTRA SLIM 4** helped study participants consume 1,000 less calories per day, naturally, and another nutrient in it was proven to help people **lose two times more weight** than those who did not take it!

You Will Have the Slim Body and Better Life You Want Soon — Guaranteed

The New Breakthroughs That Make Your Weight Loss Happen “Automatically”

Richard Brubaker, 62, a chemist from Omaha, Nebraska told me *“I lost 47 pounds so fast and easy I still cannot believe it — and the weight stays off easily too, by taking **ULTRA SLIM 4!**”*

Here’s why...

PROVEN NEW BREAKTHROUGH #1:

It Makes You **BURN OFF FAT**

In a study on one of the nutrients in this supplement, the plant extract **Hoodia Gordonii**, **BODY WEIGHT WAS 10% TO 18% LOWER** for the people who took this supplement compared to the placebo group which did not!

lism, you can enjoy the foods you want without constantly counting calories, watching the scale or feeling guilty.

A 12-week double-blind study published in *American Journal of Clinical Nutrition* showed weight loss was **DOUBLE** that of the people who did not take this. Yes, **double** the weight loss!

PROOF

And in a study published in *The British Journal of Nutrition*, it showed “eight times” the weight loss! This too was a double-blind, placebo-controlled study... **the highest standard of proof.**

Plus, the **Theobromine** in this supplement increases your metabolism. This means you will

have the most powerful natural ingredients burning off your fat 24 hours a day, seven days a week.

PROVEN NEW BREAKTHROUGH #2:

It Decreases **HUNGER**

The natural plant extract Hoodia Gordonii acts as an “Appetite Crusher” to

send your hunger running for the hills. This makes it so you’ll want to eat less, so you automatically enjoy more and faster weight loss.

In the clinical trial, 15 days after the study began, the people given this nutrient ate **1,000 less calories a day naturally** on average — with no side effects (*EXCEPT weight loss!*)

All the volunteers in this study could do was read, watch

TV and eat. Half the group were given this nutrient and half were given a placebo. At the end of 15 days, the group taking it had reduced their food intake by 1,000 calories a day!

Walter Henderson

LOST 82 POUNDS

After Everything Else Failed Him For Over 20 Years

I tried over two dozen diet pills and diet plans because my doctor said my heart attack was from being overweight.

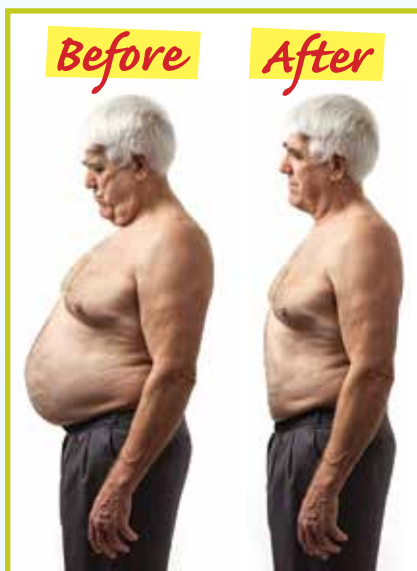

I would lose some weight at first usually. I'd get excited that I found the right pill or diet, but then, BAM, it would stop working or I couldn't stick to the impossible diet any longer.

My biggest problems were stress eating and eating junk foods at night when I was tired, hungry and watching TV. I mean, who wants to eat carrots or celery for a late night snack? Not me!

After 20 years of failing, I was close to giving up on ever losing my unwanted weight when my friend Roger, who had great success with **ULTRA SLIM 4**, recommended it to me.

I was very skeptical it would work for me, but I gave it a try. Let me tell you, boy, am I glad I tried it!

Starting on the 2nd night, the Lay's potato chips and Ruggles mint chocolate chip ice cream were no longer on my mind! Instead, I wasn't hungry at all, and I just fell asleep at 11:00 and slept like a baby!

I noticed I naturally ate much less and I didn't crave fattening foods. I had much less stress — so I didn't "stress eat" anymore.

This has been a dream come true for me. I have now lost 82 pounds and counting, and keeping it off has been very easy too.

I just wanted to thank you from the bottom of my heart for **ULTRA SLIM 4. I feel great, have my self-confidence back, my energy back, my blood pressure is down** and I can now go hiking with my grandchildren which makes me very, very happy! ”

“Diet Failure” Rebecca

DROPS 57 POUNDS

And 6 Dress Sizes!

A few years ago, at five foot four, I frighteningly stepped on the scale in the doctors office and it said I weighed 197 pounds.

I couldn't believe it! I was so sad and depressed that I broke down in tears.

When my doctor asked what I had tried to lose weight, I honestly told her, “Everything”. I had tried all the diet books, all the pills you see advertised on TV and Facebook, and even two popular weight loss centers.

I was the perfect example of a “diet failure”, and I was sick and tired of being fat and all the problems it caused me.

I needed something totally different, so when I read a news article about a doctor

recommending **ULTRA SLIM 4**, I become excited because, finally, here was something really new and revolutionary.

The first change I noticed was that I wasn't hungry all the time anymore. I did not crave the high-fat snacks I used to! I also felt more energy and less stress, which is a wonderful feeling.

Anyway, to make a long story short, the bottom line is **I lost 57 pounds and six dress sizes by taking ULTRA SLIM 4 and it has been the best decision I ever made for my weight, health and happiness.**

If it worked for me, a long time “diet failure” who tried everything before, it will work for anyone and that means for you, too. ”

After age 50, losing weight is a whole different ball game! Our bodies change and our metabolism slows down. With **ULTRA SLIM 4** working for you, now you can eat the foods you like without putting on the pounds. Because now you will naturally eat less without feeling deprived — and you will automatically burn off calories.

That's why I want you to try this natural wonder so much that I am going to take all the risk in sending it to you. That's right. I won't let you risk a dime. I want you to see the results for yourself before I ask you to keep it. You are the judge and jury. That's the old-fashioned way I've done business since 1986 with over a million customers like you.

You have nothing to lose and a new much better life to gain. You are FULLY protected by our amazing 120-day 100% Satisfaction PLUS \$10 Guarantee. If **ULTRA SLIM 4** is not everything I say, simply return the unused portion within 120 days for a FULL refund plus an additional \$10...no questions asked. You have my word.
